## REGISTRATION INFORMATION

### Please Note these Registration Details:

Planning and vendor negotiations continue as you read this note. To ensure we organize the best possible experience for you when you visit Winnipeg, our William and Nahoway Sinclair (W&N) descendant and CSAC Member, **Luke Settee, is onsite in Winnipeg** and is coordinating these activities.

We selected the above dates for this auspicious occasion for several reasons. Firstly, 2019 was the first opportunity CSAC could kick-off celebrations for the 50<sup>th</sup> Anniversary of the founding of Clan Sinclair Canada, 1972-2022. You will learn much more about how Dr. Edward Sinclair supported by his wife Roselma, foraged ahead holding meetings with Family and other Sinclairs from across Canada for years 'till the deed was done!

Next, mid-June is a good month as the weather in Winnipeg should be pleasant. It is also ahead of tourist season, so we should avoid delays during our tour. It also coincides with *"Indigenous Week in Canada!"* Since we are honouring the descendants of William and Nahoway, we hope to join our Indigenous cousins in celebration.

And finally, what would a Clan Sinclair Gathering be if we didn't celebrate our Scottish roots by participating with piping, highland dancing and a dram or two at the Manitoba Highland Games. We will NOT be visiting the Fisher River First Nation so we have organized an alternative event outlined above. Dr. Niigaan Sinclair has accepted our invitation to deliver his key-note speech at the formal dinner Saturday evening.
